

Introduced by Senator LieuFebruary 22, 2013

An act to amend Section 25249.13 of the Health and Safety Code, relating to toxic chemicals.

LEGISLATIVE COUNSEL'S DIGEST

SB 650, as introduced, Lieu. Toxic chemicals: exposure.

The existing Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65) prohibits any person, in the course of doing business, from knowingly and intentionally exposing any individual to a chemical known to the state to cause cancer or reproductive toxicity without giving a specified warning, or from discharging or releasing such a chemical into any source of drinking water, except as specified. The act provides that it does not alter or diminish any legal obligation otherwise required in common law or by statute or regulation, or create or enlarge any defense in any action to enforce a legal obligation.

This bill would make nonsubstantive changes to this provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
